

GENERAL PROCUREMENT NOTICE

Government of Mozambique

Sustainable Land & Water Resources Management Project (SLWRMP)

1. The *Government of Mozambique* has received a Grant and Loan from the *Strategic Climate Funds and African Development Bank* respectively to finance the *Sustainable Land & Water Resources Management Project (SLWRMP)*.

2. The principal objective of this project is to: *"To strengthen capacity of communities to address inter-linked challenges of adverse impacts of climate change, rural poverty, food insecurity and land degradation"*. The default modes of procurement are National Competitive Bidding (for Goods and Works) and Quality and Cost based Selection for Services.

3. The project includes the following three (3) components:

- a) Agriculture Water Infrastructure Development;
- b) Restoration of Natural Habitats & Landscapes;
- c) Project Management

4. Procurement of goods and/or works will be in accordance with the Bank's Rules of Procedure for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank's Rules of Procedure for the Use of Consultants. Bidding documents are expected to be available in August 2013.

5. Interested bidders may obtain further information, and should confirm their interest, by contacting :
