

SINGAPORE 2016

PARTICIPATE IN AN
EXCEPTIONAL
LEARNING EXPERIENCE

Co-organized by the Singapore Water Academy and IDA Academy in conjunction with the Singapore International Water Week (SIWW)

JULY 7 - 8, 2016

KICK-OFF WATER WEEK IN SINGAPORE
WITH A TWO-DAY DESALINATION
MASTER CLASS
LOCATION: THE PUB WATERHUB

Also experience an entire week of exceptional education and networking opportunities

July 9, 2016

MEMSIS Inaugural Symposium - Membrane Innovations in Water Desalination and Reuse: Material Science, Process Engineering, Energetics and Environmental Impact
Location: PUB WaterHub

July 10 - 14, 2016

Singapore International Water Week
Location: Expo & Convention Centre
Marina Bay Sands

General inquiries contact us at
academy@idadesal.org

JULY 7, 2016

Design of Coastal Intakes and Brine Outfalls for Seawater Reverse Osmosis (SWRO) Desalination Plants

Professor Adrian Law, Associate Professor, School of Civil and Environmental Engineering; Director, Environmental Process Modelling Centre (EPMC), Nanyang Environment and Water Resources Institute (NEWRI) Nanyang Technological University, Singapore

Strategies to Control Organic and Biological Fouling Of Reverse Osmosis (RO) Membranes and Use of High Permeable Membranes in Seawater RO

Instructor: Professor Harvey Winters, Professor Emeritus, Fairleigh Dickinson University, School of Natural Sciences, USA

JULY 8, 2016

Operation and Maintenance of Seawater Reverse Osmosis Desalination Plants

Instructor: Nikolay Voutchkov, PE, BCEE, Water Globe Consultants, LLC, USA

Register online today at:
www.idadesal.org/academy

Cost: USD1200 (inclusive of 2 tea breaks & 1 lunch per day)

IDA is your point of connection to the world's desalination and water reuse industry – the people, ideas and information that help advance your career, expand your knowledge, and forge business-building relationships with colleagues around the Globe.
