

Water Well Shield

New Bigger Insurance Discounts with the NGWA Water Well Shield Program

With the insurance markets hardening, the NGWA's Water Well Shield Insurance Program introduces lower pricing.

Features of this Program which is available to NGWA Members in all US states & Canada include:

- Discounted Errors and Omissions and Liability Insurance for Scientists and Engineers.
- Discounted Property, Liability, WC and Auto coverage in all US states and Canada for:
 - Groundwater & Geothermal Drilling & Servicing
 - Groundwater Pump and Equipment Installers & Suppliers

Down-the-hole insurance coverage is included as is General, Excess and Professional Liability.

Property/Business Equipment, Auto and WC are all available at new rates.

Our carriers are rated A- or better by AM Best. Labor Law coverage in NY is available. Our quote turnaround and speed of service is second to none.
