WaterVent is attractive for water corporates, utilities, research institutions, foundations, clusters & incubators which intend to

- *Detect and scout water tech innovations /innovators for their own applications*
- *Increase their activities in water tech innovation promotion and support*
- *Confirm and improve their reputation by actively showcasing water tech innovations and presenting remedies for water issues by organizing 2-3 forums annually*

Partnering 2022 forum series WATERVENT

Get away from single forum partnering – increase marketing effects
Lead generation beyond forums
