

A high-contrast, black and white image of Earth from space, showing the Americas and surrounding oceans. The Earth is partially illuminated, with the sun creating a bright glow over the Americas. The image is set against a solid black background.

The future of water is resilient

With the award-winning
Artificially Intelligent
Digital Operator Coach™

How it works

- ✓ 0\$ CAPEX | SaaS Model
- ✓ No retrofit required
- ✓ No downtime
- ✓ Operator friendly interface

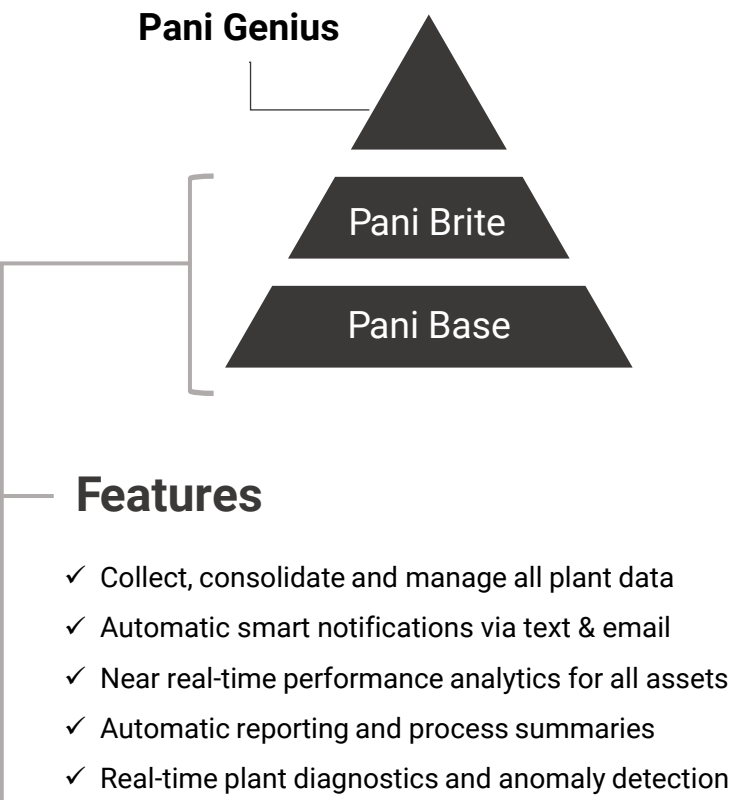

Benefits

Reduce troubleshooting time by 25% and increase accuracy data of logs and lab tests by 80%

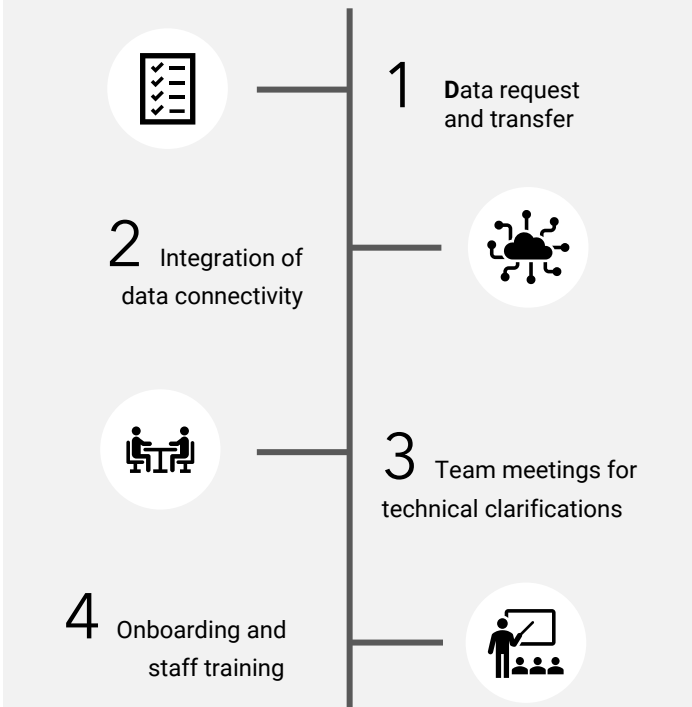

Assess performance and health of pumps, blowers, clarifiers, and bio reactors

Meet discharge objectives under varying organic and hydraulic loading

Three-tiered offering

Easy integration
