

FUNDING OPPORTUNITY: WATER & SANITATION INFRASTRUCTURE

WaterEquity is an asset manager dedicated to mobilizing private investment in the water and sanitation sector. We invest in financial institutions, enterprises, and infrastructure in emerging and frontier markets delivering safe water and sanitation solutions to low-income populations.

WaterEquity works alongside Water.org and WaterConnect to offer distinct yet complementary approaches to our shared vision: achieving safe water and sanitation for all. Together, we offer a spectrum of solutions tailored to the sector's diverse needs, ensuring the right type of capital flows at the right stage.

NOW ACCEPTING APPLICATIONS FOR FUNDING: WaterEquity seeks investment-ready infrastructure projects and growth companies that are working to scale climate-resilient water and sanitation solutions.
