US-Australian Dialogue: Practical Solutions for Managing the Energy-Water Nexus

Monday, January 14, 2013
9:00am – 3:00pm
The Fairmont San Francisco

A DISCUSSION EXPLORING
WAYS AUSTRALIA AND THE US
CAN WORK TOGETHER TO
REDUCE THE ENERGY FOOTPRINT
ASSOCIATED WITH WATER
CONSUMPTION WHILE MEETING
THE EVER GROWING NEED FOR
THIS PRECIOUS RESOURCE.

We invite you to attend this exclusive event which will bring together Australian and US policy makers, business and academics to explore the relationship between energy consumption and water use. Topics to be explored include:

- *The connection between energy and water*
- *Energy and water use in the cities of tomorrow*
- *Reducing energy consumption in water use – industry solutions*

*** * * FOR MORE INFORMATION VISIT: www.australia-week.com**

SPACE IS LIMITED, REGISTER TODAY!
