

# Symposium Water Contamination Issues and Treatment Techniques

February 11, 2018

## Symposium Themes

- ❖ Water Resources Monitoring, Planning and Management
- ❖ Health Hazards of Water Contamination
- ❖ Water Contamination and Agriculture
- ❖ Emerging Water Treatment Technologies

Symposium on **Water Contamination Issues and Treatment Techniques** is the forum for the presentation of new advances and research results in the fields of water pollution and treatment. The symposium will bring together leading researchers, engineers and scientists to discuss key issues related with water contamination. **Researchers can submit Abstracts for oral and poster presentation.**

Symposium proceedings will be published in **International Journal of Economic and Environmental Geology of SEGMIITE.**

### Call for Abstract Submission

Abstract submission deadline :  
January 15, 2018

Organized by : Abdus Salam School of Sciences, Nusrat Jahan College Rabwah, Dist.Chiniot, Pakistan

For abstract guidelines & submission : [http://safewater.njc.edu.pk/upcoming\\_events.php](http://safewater.njc.edu.pk/upcoming_events.php) [nmirza@njc.edu.pk](mailto:nmirza@njc.edu.pk) , [tariq.ahmad@njc.edu.pk](mailto:tariq.ahmad@njc.edu.pk)
