

EuroSciCon Conference on

# Water Pollution and Sewage Management

---

Theme:

Be a part of Solution, Not the Pollution!!

July 26-27, 2018  
Rome, Italy

## Invitation

EuroSciCon is organizing meeting on Water pollution and Sewage Management 2018 is scheduled from July 26-27 at Rome, Italy. EuroSciCon is the UK based independent life science Events Company with predominantly business and academic client base.

The 2018 meeting promises to be a dynamic and informative event and going to explore the issues, innovations and integrated approaches towards water pollution and waste water management, the speakers are a multidisciplinary gathering of globally perceived specialists that speak on ***Be a part of Solution, not the Pollution!!***

This is 2-day Meeting and you can participate in a number of educational formats including General Sessions, Poster Presentations, and Workshops/Symposium, Meet-the-Professor Sessions, Oral Presentations and other interactive and informal exchanges.

Topics will cover the latest advances in the water pollution, adsorption technology, groundwater pollution, waste water technologies, Industrial water treatment, sewage treatment and many more.

We trust you will discover the Meeting beneficial, enlightening and agreeable. We want to thank all EuroSciCon Members and participants whose commitments and cooperation have been basic to the accomplishment of the association!!

## A Transformational Learning Experience

- Curated to address the concerns of today's scientific world
- Be inspired by some of the world's most renowned figures
- Stimulate new ways of thinking and provoke action.
- Relish inspiring interaction between peers, leaving you better prepared to face technical and research oriented challenges.

July 26-27, 2018  
Rome, Italy

## Why with us?

We at EuroSciCon strive to create transforming experiences, propelling researchers and organizations to interact and come up with actionable ideas thus enhancing the quality of research and development.

And here's why you associate with us

### **Our International Open Access Journals:**

We embrace around 700+ Leading-edge Peer Reviewed Open Access Journals and a 21 Day Rapid Review Process with a whopping 50000+ Editorial Board Team, 35000+ Reviewers team and 1000+ Scientific Associations Collaborations.

Read by over 30 Million Patrons and 100000+ Facebook Likes comprehending the High online presence, our Open Access Journals serve the best blend of content and global exposure.

### **Our International Scientific Conferences:**

With over 3000 Conferences happening across the globe in the streams of Medical, Pharma, Engineering, Science, Technology and Business our events are accredited with CME/CPD.

Moreover you get to meet the industry's high priests who come from all over the orb. You learn from the companies defined by their progressive ethos and dynamic strategies and also through the highly interactive sessions and panel discussions.

B2B Meetings with enriching interaction help building better businesses, people and world.

### **Other salient features comprehend:**

Publishing of the accepted abstracts in our inordinately indexed journals

Each of which will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref  
Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.

Career Guidance Workshops for students and early career researchers

Opportunity to publish full Manuscripts in our Open Access Journals

**W**ith over 25000+ Environmental Scientists, Geologists, Hydrologists and Sewage Treatment Technologists accessing the website, EuroSciCon Water Pollution 2018 is the most lucrative platform for researchers, academicians and industry professionals pursuing their work in the field and related. In addition to immense networking opportunities, global prominence of the research and the researcher is what we bestow our Speakers and Committee Members fuelling better outreach of the work and profile.

## **Water Pollution 2018 Salient Features:**

In a world of information overload, we focus on the issues most relevant to today's technical trends enabling our patrons to

*Congregate with most senior executives*

*Nurture connexions*

*Agenda format which incorporates ample Q&A time*

*Partake in our revamped exhibitor expo sessions*

*Meet and listen to the relevant clients*

*Unprecedented growth creating an unparalleled market place*

**July 26-27, 2018  
Rome, Italy**

## **How's EuroSciCon different?**

*Exercises your creative instincts with the live knowledge experience*

*It organizes 3000+ Conferences across the globe connecting different sciences in 30+ countries*

*Over 25 Million+ Visitors and 20000+ Unique Visitors per conference*

*World's leading industries and companies attend*

*Career guidance for early career researchers and students*

## Who'd be attending?

EuroSciCon Conference on Water Pollution & Sewage Management plays host for the Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Environmental Scientists, Geologists, Hydrologists and Sewage Treatment Technologists and others who stay plunged in learning and practice in the environmental science and sewage management.

### About hosting organization

EuroSciCon is one among Europe's largest and most significant scientific place which serves as a crossroad for the academicians and industry experts to build networks. With over 16 years of Life Science Communication it focuses on to Spearheading the Transformation of Medical Research into Knowledge through Scientific Gatherings and Networking. Supporting the Rare Care UK organization, EuroSciCon is a corporate member of Royal Society of Biology, Institute of Biomedical Science (IBMS) and British Society for Immunology. Our approach has always been unique, and that difference has propelled our growth towards Scientific Serendipity.

### Scientific Sessions:

- Water Contamination
- Adsorption Technology
- Ground Water Pollution
- Eutrophication
- Waste Water Technologies
- Industrial Water Treatment
- Agriculture And Environmental Pollution
- Water Borne Diseases
- Waste Water Reuse And Recycling
- Water Pollution : Ethics And Regulations

## About Destination Rome

Rome, today is one of the most important tourist destinations of the world, due to the incalculable immensity of its archaeological and art treasures, as well as for the charm of its unique traditions, the beauty of its panoramic views, and the majesty of its magnificent “villas”. Among the most significant resources: plenty of museums like Capitoline Museums, the Vatican Museums, Galleria Borghese, and a great many others aqueducts, fountains, churches, palaces, historical buildings, the monuments and ruins of the Roman Forum, and the Catacombs.

### Top Attractive Places to Visit in Rome

The city is covered with many famous tourist attractions like Colosseum, Modern Center, Historic quarter, The Vatican, Trastevere, Esquilino-San Giovanni and many other historical places which make the visitors more captivated towards the city.

**Colosseum:** It is also known as the Flavian Amphitheatre, an oval theatre in the centre of the city of Rome, Italy. Built of concrete and sand, The Colosseum is situated just east of the Roman Forum. Construction began under the emperor Vespasian in AD 72, was completed in AD 80 under his successor and heir Titus.

**The Vatican:** The State of Vatican City is a country located within the city of Rome. Within Vatican City are religious and cultural sites such as St. Peter's Basilica, the Sistine Chapel and the Vatican Museums. They feature some of the world's most famous paintings and sculptures.

**Trastevere:** The Trastevere is known for traditional and innovative trattorias, craft beer pubs and artisan shops, as well as simple B&B and budget hotels. The land to the south of the Vatican, on the west bank of the Tiber River, full of narrow cobbled streets and lonely plazas that served as the inspiration for artists such as Giorgio de Chirico, now arguably the centre of Rome's artistic life.

## Tentative Program

### Day 1

07:00–08:00 (All Attendees)  
Continental Breakfast & Registration  
08:00–08:30 (All Attendees)  
Introductions & Welcome

08:30–09:00 (All Attendees)  
Opening Ceremony  
09:00–09:40 Plenary Talk-1  
09:40–10:20 Plenary Talk-2  
Refreshment and Networking Break  
10:40–12:30 General Session  
(Oral Presentation)  
12:30–13:30 Gala Lunch  
13:30–15:30 Keynote Talk 1, 2, 3  
Refreshment and Networking Break  
15:30–17:00 General Session  
(Oral Presentation)  
17:00–18:00 General Session  
(Oral Presentation)  
18:00–18:30 Networking Session

### Day 2

09:00–09:40 Plenary Talk 3  
09:40–10:20 Plenary Talk 4  
Refreshment and Networking Break  
10:20–12:30 Keynote 4, 5, 6  
Lunch Break  
12:30–13:30 General Session  
(Oral Presentation)  
13:30–15:30 Refreshment and Networking Break  
15:30–16:30 General Session  
(Oral Presentation)  
16:30–18:00 Poster Session  
18:00–18:30 Networking Session & Closing Ceremony
