INNOVATION
WEEK

OCTOBER 22-24 2018
TORONTO

HOSTED BY

PART OF

WORLD WATER-TECH NORTH AMERICA

Toronto, October, 24-25, 2018

Unlocking Value and Reducing Risk

World Water-Tech North America is where US and Canadian water utilities come to find solutions to today's challenges of digitization, resource recovery and infrastructure finance. Held in the heart of downtown Toronto, one of the world's fastest growing technology innovation hubs, this is the place to meet start-ups, tech giants, engineering firms, operators and investors.

Join 250+ global water leaders on October 24-25, 2018, for two days of collaboration, dialogue and deal-making. Networking is made easy, including advance connections with speakers and delegates via the 1:1 meeting system and a dedicated networking hub throughout the summit.

WHO WILL YOU MEET?

100% focused on innovation

Attracting water and wastewater leaders from every part of the value-chain

Open dialogue with utility leaders

CEOs/GMs share their challenges with technology and engineering partners

Access to finance

More investors and project financiers than at any other water event

The most exciting water start-ups

A series of technology pitching sessions showcase new and innovative solutions

The best networking in water

An extensive 1:1 meeting system ensures every delegate meets their target clients

A chance to educate the market

Case studies, panel debates and roundtable workshops maximize interactivity

International in scope

Attracting speakers and delegations from around the world looking for new solutions

Held in Toronto

A dynamic and fast-growing city, and global hub for innovation in water and environmental solutions

“A very busy and highly effective two days: a rare opportunity to network 1:1 with clients and exciting new tech companies from around the world.”

Innovation Champion, AECOM

Confirmed Speakers include:

Greg Henderson
Deputy News Director
BLOOMBERG BNA

Régine Clément
CEO
CREO SYNDICATE

Sandy Fabritz
Director of Water Strategy
FREEPORT-MCMORAN

Rebekah Eggers
World Wide Industry Leader – IoT for Energy, Environment & Utilities
IBM

Paul Fleming
Water Program Manager
MICROSOFT

Nancy Kodousek
Director of Water Services
REGION OF WATERLOO

Óscar Armando Monroy Hermosill
Profesor Distinguido
UNIVERSIDAD AUTÓNOMA METROPOLITANA

Will Sarni
Founder & CEO
WATER FOUNDRY

Torri Martin
Chief of Innovation
CITY OF ATLANTA DWM

Dave Chen
Principal & Chairman
EQUILIBRIUM CAPITAL

Carl Yates
General Manager
HALIFAX WATER

Rebecca Singer
Manager of Resource Recovery
KING COUNTY

Jeff Possick
Managing Director

Peter Gallant
President & CEO
WATERTAP

Jamie Witherspoon
Senior Vice President – Water
COLE ENGINEERING GROUP

Doug Hatler
Vice President of Marketing
FRACTA

Cristina Ahmadpour
President
ISLE UTILITIES

Enrique C. Zaldivar
Executive Director & General Manager
LOS ANGELES SANITATION AND ENVIRONMENT

Eric Willman
Senior Director, Global Beverage Processing R&D
PEPSICO

Dave Johnson
Deputy General Manager
SOUTHERN NEVADA WATER AUTHORITY

Alain Gadbois
Vice President Technology
VEOLIA CANADA

Matthew Servatius
Managing Director & Head of the CleanTech Group
WELLS FARGO TECHNOLOGY BANKING

Agenda Session Highlights:

Fostering Innovation:

Exploring innovation programs to evaluate and pilot new technologies

Resource Efficiency:

Maximizing efficiency and usage in water and wastewater treatment plants

Harnessing the Digital Revolution:

Powering productivity through IoT, big data, robotics, artificial intelligence and blockchain

Asset Management & Reducing Risk:

Building resiliency through predictive software and analytics

Corporate Venture Disruption:

Critical success factors for corporate venturing in water and the future M&A landscape

Water Reuse:

Mapping a path to large-scale direct and indirect potable reuse

Sustainable Water Stewardship:

Driving more creative end-user thinking at a watershed level

Private Sector Infrastructure Delivery:

Assessing successful project delivery models and learning from the wins of other countries

Centralized to Decentralized Systems:

Identifying future growth in decentralized water and wastewater treatment markets

Future Investment Potential:

Debating the potential of family offices vs sovereign wealth funds as a source of large-scale future funding

Cyber Security:

The role of industrial cyber security in building resiliency within the water industry

Meet the Innovators

One of the most exciting features of the summit is the Technology Showcase. Innovative early-mid-stage water-tech companies showcase their solutions to our audience of investors, water-leaders and technology integrators. Each company has seven minutes to present their technology and business model before taking questions from the panel of sharks and the audience.

NEW for 2018

The **TechHub** - a branded networking area for water-tech start-ups.

“The World Water-Tech event allowed us to pitch our new technology to all the key industry and investment leaders in the water technology space. The calibre of attendee was very high and the connections we made in only two days were invaluable.”

ONTARIO
WATER
INNOVATION
WEEK

World Water-Tech North America is the anchor event of Ontario Water Innovation Week (OnWIN), a full program of networking opportunities including the popular launch party, Water Innovation in Action forum and AquaHacking Finals. Large delegations attend from Europe, India and China to showcase innovation and form lasting partnerships with US and Canadian operators and suppliers.

World Water-Tech North America (October 24-25):

Early Bird (ends August 23): CAD \$1,395

Full Price: CAD \$1,695

Includes: OnWIN Opening Party + World Water-Tech North America + AquaHacking Finals

OnWIN Combo Package (October 23-25):

Early Bird (ends August 23): CAD \$1,695

Full Price: CAD \$1,995

Includes: Water Innovation in Action + OnWIN Opening Party + World Water-Tech North America + AquaHacking Finals

3 Ways to Register

By Phone: +44 (0)1273 789 989

By Email: sophie.brady@rethinkevents.com

Online: worldwatertechnorthamerica.com/register

Your Summit Registration Includes:

- ✓ Supported networking and guaranteed introductions
- ✓ Dedicated support from the Rethink Events team
- ✓ Access to all sessions at the two-day summit
- ✓ Delegate pack including full attendee list, list also available in advance
- ✓ Your choice of a roundtable discussion group
- ✓ Personal login for the 1:1 meeting system online
- ✓ Presentations available online after the summit
- ✓ Networking drinks on the first evening of the summit hosted by Cole Engineering Group
- ✓ All refreshments, breakfast and lunch
- ✓ OnWIN Opening Party on October 23
- ✓ AquaHacking Finals on October 25

Venue

The Design Exchange, Toronto

234 Bay Street, Toronto, Ontario, M5K 1B2, Canada
