WM2E

Water·Membrane·Environment
& Energy Technology **EXPO**

2017

14-16 DECEMBER 2017, BANGKOK, THAILAND

Venue: BITEC

EXHIBITOR PROFILE

Water & Environmental Technology : Water Treatment, Wastewater Treatment, Waste Treatment, Air Pollution Control, 3R, Biogas Technology, Resources Management, Sensors & Measurement, Pumps & Valves, Climate Protection, Carbon Trading etc.

Membrane Technology & Filtration : Membrane Filtration - UF/MF/NF, Novel Membranes, Reverse Osmosis, Forward Osmosis, Desalination Technology, Water Reuse Technology, Membrane Bioreactors, Process Filtration

Energy Technology : Fossil Fuels Technologies, Cogeneration Technology, Biomass Technology, Waste to Energy, Combined Heat and Power, Boiler Technology, Turbine Technology, Solar & Wind Power Technology, Renewable Energy, Hydro Power Plant, Fuel Cells / Hydrogen Energy, Energy Storage, Energy Distribution, Smart Grid Technology, Ancillary Technologies

EXHIBITOR HIGHLIGHTS

- Trade Exhibition
- Training Courses
- Conferences
- Research Forum
- Networking Dinner
- WM2E Buyer Guide
- Photo Contest
- CEO Golf Tournament

PRINTED MATTER

WATER, MEMBRANE, ENVIRONMENT & ENERGY TECHNOLOGY FORUM 2017

- Water & Wastewater Treatment
- Membrane Filtration
- Seawater Desalination
- Solid Waste Treatment
- Hazardous Waste Treatment
- Air Pollution Control
- Reduce, Reuse & Recycle
- Waste to Energy / Biomass Energy
- Biogas Technology
- Renewable Energy Technologies
- Boiler Technology
- Power Generation Technologies
- Combined Heat and Power
- Hydrogen Energy

FORUM FOCUS TOPICS

- Energy Storage & Distribution
- Energy Management & Saving
- Smart Grid Technologies
- Testing & Monitoring
- New Regulations

Interested to Speak/ Submit Paper?

Please send presentation title, 100 words presentation summary and short CV by email as soon as possible. Speakers are responsible for their travel and accommodation arrangements. All the confirmed speakers are required to submit 1000 words full article on the presentation before 31 October 2017. Each presentation length is 20 minutes including Q & A. Presentation language is English.

Interested to Submit Poster?

Researchers and Specialists are invited to submit paper for poster presentation at this forum. Poster fair is open for all expo participants to visit. TechnoBiz provides complimentary poster printing service for the participants.

WM2E BUYER GUIDE 2017-2018

Directory of Water, Membrane, Environment and Energy Technologies and Suppliers

(Advertisement Cost:
750 US\$/Full Page,
Includes 5 technology
profiles – 50 words each with picture)
