

DEAR COLLEAGUES!

We invite you to take part in the scientific and practical conference “Nature for Water”, dedicated to the World Water Day. The conference will be held on March 22, 2018 in the Institute of Water Problems and Land Reclamation, Ukraine, Kyiv, Vasylykivska, 37.

The purpose of the conference is to actualize and attract the attention of the community to the problems of water objects state and drinking water scarcity, the need for water conservation and rational use. The World Water Day focuses on the importance of universal access to clean water and the issues of balanced water management.

If you cannot be present at the event you can make contribution remotely by submitting your conference abstract. We invite you to share your research results, ideas and opinions to disseminate knowledge.

Filled forms and abstracts should be sent to **water2018@ukr.net** till March 15.

Materials will be published in the conference proceedings online and as a hardcopy.

The participation is free of charge.
