

The Group Overseas LLC

Company Profile

About Us

The Group Overseas LLC (TGO) is a provider of Corrosion Solutions & Unique services in Oil & Gas Industry.

TGO is 100% Omani owned entity and has attained a successful market presence, by offering services which are of best quality at a reasonable and competitive pricing. Established since 1999.

Certificate of Registration

This is to certify that Occupational Health & Safety Management System of

THE GROUP OVERSEAS LLC

No: 43, Building 316 (Madi Building), Way 2505, Alkhawair
24, PO Box 700, PC 133, Al Khuwair, Sultanate of Oman.

is in accordance with the requirements of the following standard

ISO 45001:2018

(Occupational Health & Safety Management System)

SCOPE

Steel Fabrication, Structural and Piping, Grp and Gre Services, Maintenance of Storage Tanks, Vessels, Pumps, Heat Exchangers, all Kind of Valve Services, Maintenance and over Hauling, other Mechanical & Civil Maintenance, Electro-mechanical Services, Spark Test for Tanks, Vacuum Testing Of Nitrogen Tanks, Hydrostatic Pressure Testing, Rental of offshore Basket and Container, Fabrication of offshore And Onshore Container & Baskets as Per D V Standard, Trading Hydraulic and Pneumatic Fittings and Hoses (low Pressure and High Pressure), Chemical Supply, Engineering Design, Corrosion preventive Coating and VCI (Vapour Phase Corrosion Inhibition)

Certificate Number : SCK/03/GOL/23/96/3929

(IAF Code: 17,29,34)

Initial Registration Date : 03-Jul-2023

1st Surveillance Date : 03-Jun-2024

2nd Surveillance Date : 03-Jun-2025

Certificate Expiry Date : 02-Jul-2026

To verify certificate, visit at :

www.sckcerts.com

www.iafcertsearch.org

Issued by SCK Certifications Pvt. Ltd.

Director

MSCB-244

Accreditation Board : 3090, Saturn Street, Suite 100, Brea, California 92821-4732, USA

This certificate remains the property of SCK and must be returned to SCK on Cancellation or Suspension of the certificate. Validity of the certificate is subject to successful completion of surveillance audits. Further clarification regarding the scope of this certificate and the applicability of standard may be obtained by consulting the Organisation on info@sckcerts.com

Our Vision

To be the leading provider of integrated and intelligent Engineering Solutions & Services that is timely, accurate and complete in every respect.

Our Mission

Provide unique and prompt services for our clients that will meet their expectations, by capitalizing on experienced professional workforce and management, by affiliating and working closely with international innovative leading companies

Our Services

Derakane Lining

Tank Re-Fabrication

**Structural Integrity &
QC Inspection**

Specialty Solutions

**Equipment
Maintenance and
Overhauling**

**Soil side
Corrosion
Inhibitor for
AST Tanks**

Batch Mixers

Tank Cleaning

**VCI Corrosion
Solutions**

Derakane Coating

- We Specialize in Derakane Coating for internal of tanks and Pipe spools/Pump internals and manifolds.
- Suitable for highly corrosive chemicals e.g., HCL, KCL, Brine Water, Processed Water, Fuel etc.
- Warranty of 3-5 years for Transporter and Above Ground Storage tanks depending on the Chemical concentration and working temperature.

Tank Re-Fabrication

- External and Internal structural repair,
- Re-design and Fabrication of pipes.
- Supply and Overhauling of Valves.
- Metal patch work repair and base build up.
- Static Hydrotest.

GRP Lining of the Water Tank – Warranty period of 3 years

Structural Integrity and QC Inspection

- UT Test - Test the Thickness testing of pipes, tank walls etc to determine structural integrity and rate of corrosion.
- Spark test - Determines the bonding between the lining/coating and the metal by detecting pin holes.

Tank Cleaning

We have various types of chemicals.

- VCI D.S can be used to de-sludge tankers and protect it from corrosion.

Specialty Services

Level Gauges

- Externally placed Level Gauges
- Spill Proof
- Impact Resistant

Spill Containment

- Mobile easy to assemble on site
- Park in Spill Kits for transporter tanks

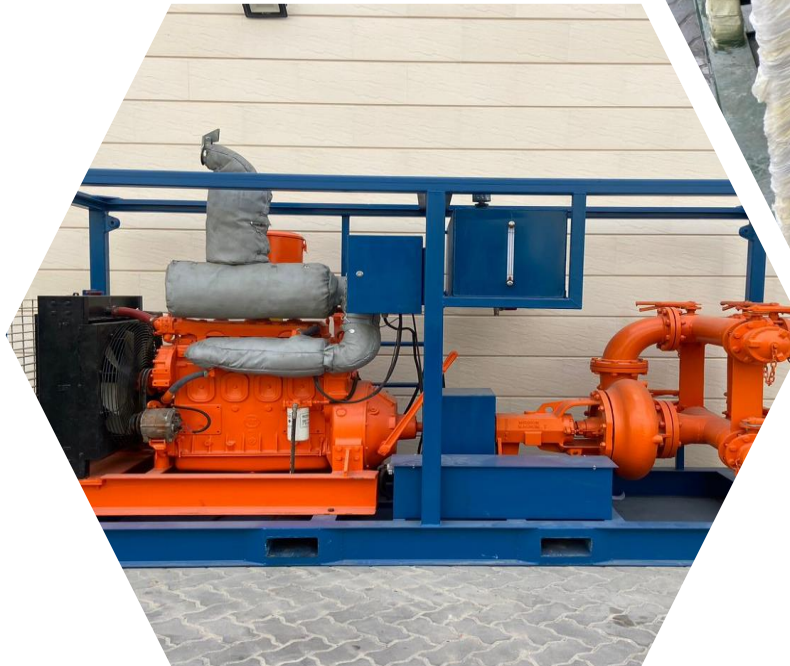

Abrasion and Corrosion resistant Ceramic Coatings

- Coating for internals of Pumps including impeller, housing etc.
- Chemical Resistant and High Compression Strength

Pump Maintenance and Overhaul

- Overhauling of pumps including replacing, Mechanical Seals, Bearings, Spare kits etc.
- Pumping Unit Engine Maintenance repair and servicing
- Fabrication of Pumping skids

Pipeline

1. Maintenance
2. Fabrication
3. Installation
4. Cleaning
5. Corrosion resistant Coatings

Valve

1. Supply
2. Maintenance
3. Overhaul
4. Preservation

Flange

1. Supply
2. Preservation

Rotary Equipment

Compressors

- Maintenance
- Repair
- Preservation

Motors

- Maintenance
- Repair
- Preservation

Batch Mixers

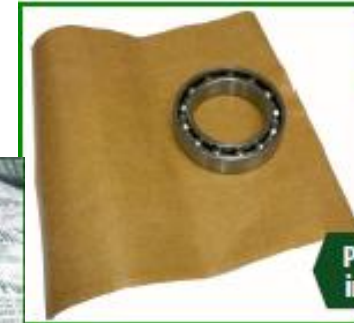

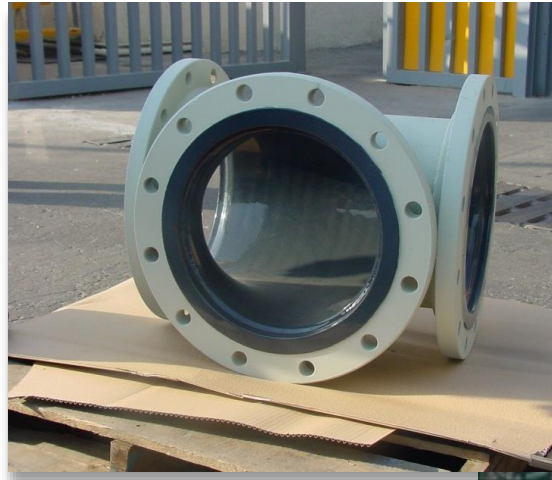

- Lining of Batch Mixers
- Sand Blasting
- Painting
- Skid or Structural Fabrication

Equipment Preservation

1. Rust Removal/Converter
2. VCI based coatings
3. VCI Emitter/Desiccants
4. VCI Impregnated Packings

1

Prepare the Vapro Enviro-Wrap in size according to component

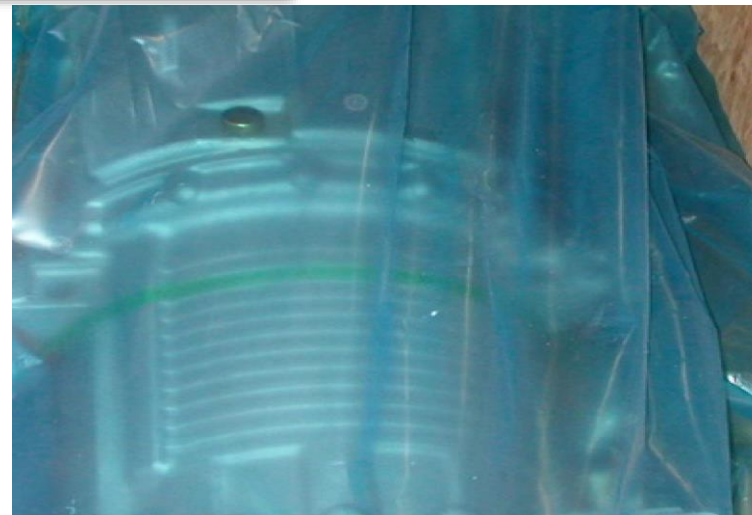

2

Wrap the component with Vapro Enviro-Wrap

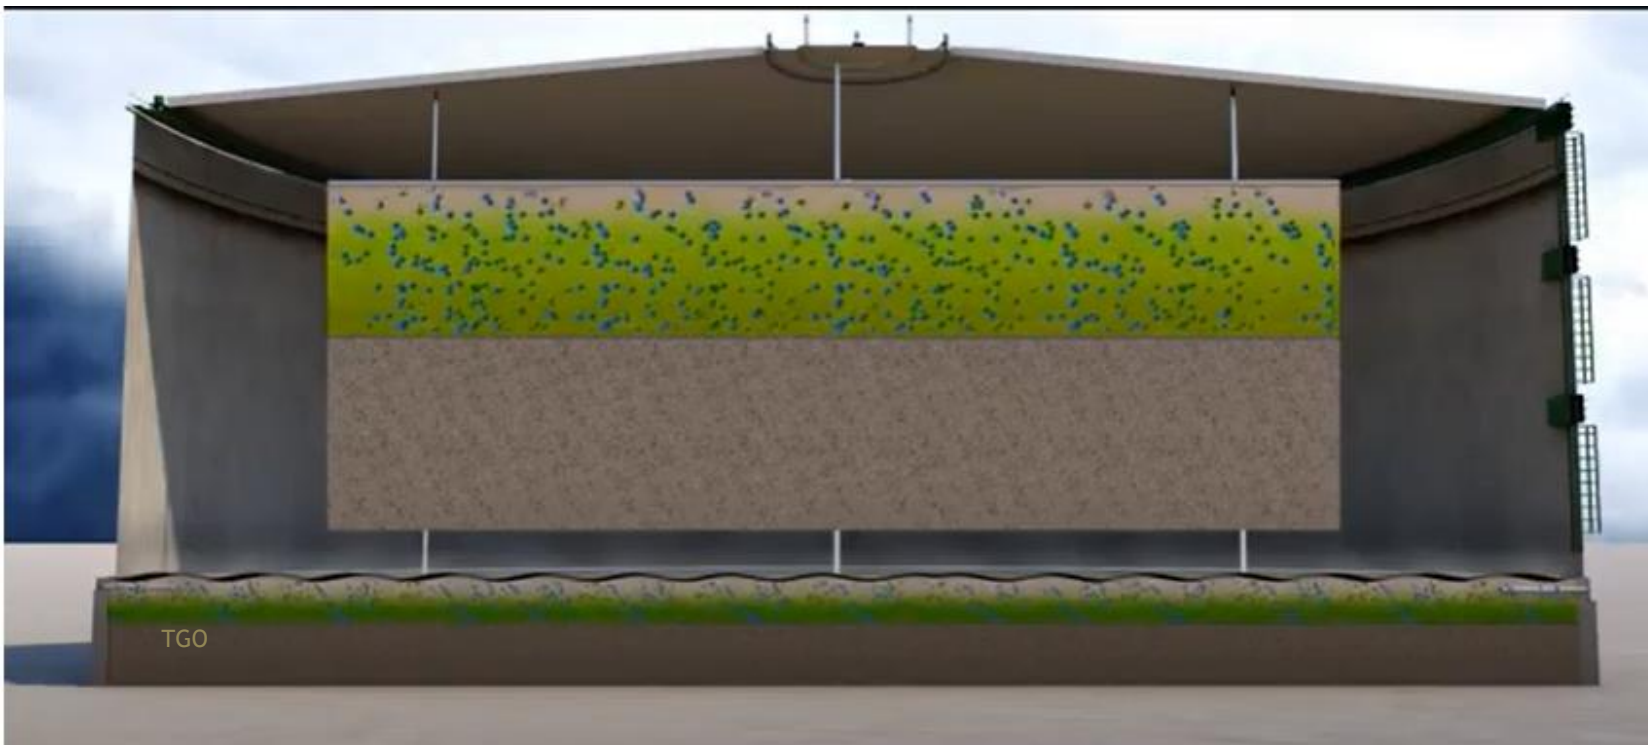

3

Seal the corners of the Vapro Enviro-Wrap paper by hand

AST Soil Side Corrosion Solutions

- Corrosion Monitoring System with ER Probes
- Injection of VCI Powder or VCI Slurry under the tank.
- Reference: OQ in Oman and QP in Qatar.

Our References in Oman

- Integrated Petroleum Services Company
- NESR (Gulf Energy)
- Gulf Triangle
- Rakaz Company
- OQ
- Abraj
- Schlumberger
- Vcare Al-Nahdi
- Haliburton
