<https://www.kerndynamics.com>

Ron Kern earned his degree in Chemistry and then embarked upon a successful career encompassing roles in the fields of operations, sales and management. Linda Youngblood Kern earned an Economics degree and has held various financial, talent acquisition and marketing roles.

We are searching for highly regarded companies with whom to align ourselves. We are fully committed to matching distinguished employers with exceptional candidates. Finding the right candidate should be an adventure, not a marathon.

Why choose KernDynamics LLC?

We will draw upon personal networks of well-qualified candidates and only represent top talent. Domestic and Global.

We will utilize a “hands on” approach, treating each search as if it were our own. Having worked in industry is a real advantage.

We will view each search through the eyes of both our clients and our candidates, thus improving performance. DMAIC

We will operate utilizing the highest standards of ethics and with the utmost confidentiality. We expect the same from our clients.
