Travel

By Car:

Leave the M1 at junction 39, take the A636 towards Wakefield, at the first roundabout turn left into Calder Park. You will come immediately to another roundabout with a large, triangular sculpture in the middle - take the second exit and follow the road as it twists round, passing Red Kite pub and Premier Inn. Take next turning right, Aqua Enviro is a two-storey, red building just on the left.

Parking:

Aqua Enviro parking bays are limited directly outside the events suite/office. Alternative parking can be found at the Red Kite / Premier Inn just around the corner.

By Train:

Wakefield Westgate mainline station is just a 10 minute taxi ride to the Appleton Court. The taxi rank is situated directly outside of the station.

By Air:

The nearest airport is Leeds/Bradford, which is a 40-50 minute drive, depending on traffic. We recommend using Arrow Cars (based at the airport) or Abbey Cars 0113 350 5050.
