The screenshot shows the homepage of 'The Water Network'. At the top, there is a search bar and a 'HOME' button. Below this, the page is divided into several sections:

- Featured Member:** A profile for Antoni Ventura-Ribal, Managing Director at Suez Advanced Solutions UK.
- Trending in Water:** A grid of article thumbnails. One prominent white box highlights 'Company interviews: our series has >20,000 views' and 'Company featured; linked to profile page'.
- Get Answers:** A list of questions with their respective answer counts, such as 'Methods to Revive a Well with Dumped Waste and Plastics' (0 answers).
- Featured Products & Services:** A grid of product/service tiles. One white box highlights 'Products featured on slider; linked to product page'.
