

6 month Digital Marketing Package

2021

The objectives are to provide the maximum impact with access to the full digital marketing reach of The Water network and AquaSPE providing:

1. brand awareness & thought leadership
2. real time leads

Although not required, for maximum effect we recommend that appropriate employees, partners and clients take advantage of The Water Network via the following actions that are no charge:

- Complete profiles of key employees (experience, expertise, photo, contact info, education)
- Continuous enhancement of the company pages on The Water Network
 - Post updates/press releases/case studies on a regular basis to your company page
- Staff, clients, & technology partners
 - Join Relevant Communities and Groups on The Water Network
 - Post updates regularly in The Water Network library and relevant communities
- Post “Knowledge Nuggets” in areas relevant to company solutions
- Answer questions as applicable to Company solutions
