

AN ISO 9001:2008 CERTIFIED COMPANY

*Your clear choice
in water treatment*

**BRAHMANI WATER
SOLUTION**

ABOUT US

We are reputed Manufacturer, Trader, Exporter and Supplier of wide Range of PP Spun, Wound & Pleated Filter Cartridge.

We "Brahmani Water Solution" are actively engaged in manufacturing, trading, exporting and supplying comprehensive assortment of PP Spun, Wound & Pleated Filter Cartridge. Incepted in 2003 at Ahmedabad (Gujarat, India), we have set up a modern infra structural base that is armed with all the requisite amenities.

The infrastructural base encompasses functional units such as Procurement, Manufacturing, Quality Testing, Warehousing & Packaging, Sales & Marketing and Transportation & Logistic. These units are handled by highly experienced team of professionals. We have installed sophisticated machinery and equipment in our manufacturing unit that enables us to produce flawless range of water purifying products. Owing to our fair business policies, prompt delivery, economical price range and client-centric approach, we have been able to gain wide client base across the globe.

Power Plant Industry

Chemical Petrochemical

Pharmaceutical Industry

Food & Beverage Industry

Water treatment

Textile Industry

OUR PRODUCTS

SPUN FILTER

- I 100% Polypropylene Cartridge made from very fine fibers.
 - I Graded Pore Structure, which gives longer service life.
 - I Polypropylene fibers sealed at fusing temperature, hence no media migration.
 - I Polypropylene media gives wide chemical compatibility.
 - I Temperature range – up to 70° C.
- Length in inches - 10, 20, 30, 40
Outside Diameter - 2", 2.5", 4", 4.5"
Micron rating - 0.5, 1, 3, 5, 10, 20, 50 & 100

WOUND FILTER

- I Nominal rated Wound cartridges are widely used as a pre-filter for economical filtration. It is available in different media and core for wider chemical compatibility.
 - I Media options available: Polypropylene, Cotton, Glass-fiber & Polyester.
 - I Core options available - Polypropylene, S.S. 316, S.S. 304 & Tin Steel.
- Length in inches - 10, 20, 30, 40
Outside Diameter - 2", 2.5", 4", 4.5"
Micron rating - 0.5, 1, 3, 5, 10, 25, 50, 100 & 150

PLEATED FILTER

- I High dirt capacity pleated depth filter cartridges.
- I Absolute rated filter with wide range of 0.2 μ to 70 μ ,
- I lengths 10" 20", 30" & 40" with a variety of end fittings to suit existing housings Thermally bonded all polypropylene filter cartridges ensure higher throughout, low-pressure loss, high dirt capacity, long on stream life and lower filtration cost.
- I Pure polypropylene construction gives extremely good chemical compatibility with a wide range of fluids.

FILTER HOUSING

- I Sizes (Suitable for 2.5" & 4.0" Diameter Filter Cartridge)
- I Filter Housing End Connections
- I Standard Housing (suitable for 2.5" cartridge) 1/2", 3/4", 1"
- I Jumbo Housing (suitable for 4" cartridge) 1", 1 1/2"
